

Commission on Adult Learner
Executive Agenda February 17th, 2021 12-1PM
Zoom: <https://psu.zoom.us/j/94033117656>

1. Hendrick Conference

Update was given and we will be reaching out the Exec Committee for volunteers for proposal readers and moderators. We are working with Whoava and will send out information as it is completed. Hendrick award presentation was discussed with ideas for a photo/slide, video interview and a networking room open to the winner for further discussion.

2. Mid-Year Reports. Brian: If not uploaded, please do so soon.

3. Elections

Ideas generated to encourage and state that it is not heavy work. Antone mentioned that 2 years may be better. Not sure why we have 1 year. Consider. Something for the full commission to consider. Secretary can be 2 years in a row. Know of someone, reach out to Brian or Kelly. Leslie reminded to see what campuses are not represented. Chancellors often have to decline especially those having dual roles, but we will continue to try. Few new deans/assoc. deans, and we may not have had one for a while.

4. Other business: Patty: Concern about the nomination process for the Hendrick award. We are getting fewer and fewer, but think about how to get more interest in the award and get them nominated. It takes time to do.

Kelly: If we are growing, we need a growth plan for the Commission structure and an increase in people involved. Brian is thinking of someone more permanent for connections and linking.
